

3rd International Webinar on

AI FOR HEALTH 2026

Agentic AI & Clinical-Grade Generative AI in Healthcare: From Innovation to Real-Time Patient Care

30th May 2026

INVITATION

Dear Attendees,

We are pleased to announce the International Conference on Agentic AI & Clinical-Grade Generative AI in Healthcare: From Innovation to Real-Time Patient Care _AI for Health 2025—to be held as a webinar on **May 30, 2026**. Organized with the support of our Editorial Board and dedicated partners, this event brings together professionals, researchers, and students to share innovations in genomics, bioengineering, public health, and therapeutics. The program includes keynote talks, oral presentations, posters, and interactive sessions with industry experts. We look forward to your participation in this exciting global event. Sincerely,
AI for Health 2026 Organizing Committee

ABOUT US

AIforHealth 2026 is a global conference series and innovation platform that explores how artificial intelligence is revolutionizing healthcare. Designed as a hybrid model of quarterly virtual webinars and a flagship in-person summit, the conference is curated to inspire, educate, and connect the next generation of AI health leaders.

Our Purpose

We believe that technology alone doesn't change the world—people do. That's why we created a space where clinicians, AI developers, academic researchers, startup founders, investors, and health policymakers can come together, challenge ideas, and co-create the future of medicine.

What Makes Us Different

Interdisciplinary Focus: Medicine, Data Science, Ethics, Regulation, and Product Hybrid Accessibility: Global webinars + local impact through physical summits Interactive Format: Use-case demos, panels, and real-world case studies Outcome-Oriented: Abstracts, publications, investor pitches, and awards Emerging Voices: Special emphasis on early-career innovators and researchers from developing countries

Scientific Themes

- Agentic AI for Clinical Decision Support
- Clinical-Grade Generative AI & Patient Safety
- Real-Time AI in Patient Monitoring & Care
- AI Diagnostics & Precision Medicine
- AI Integration with Hospital Systems & EHRs
- Ethics, Regulation & Responsible AI in Healthcare
- AI for Public Health & Population-Scale Analytics
- Multimodal AI & Foundation Models in Healthcare

ORGANIZED BY

NEO-ART EXCELLENCEHUB PVT LTD is a leading India-based platform for advancing research, innovation, and academic excellence. With initiatives spanning biotechnology, artificial intelligence, and translational health, NEO-ART focuses on building ecosystems where science meets society through meaningful collaborations.

Join the Movement

Whether you are a researcher, healthcare professional, data scientist, startup founder, or policymaker—AI for Health 2026 is where you belong. Together, we're not just imagining the future of medicine— we're building it.

Registration Fees

Category

Speaker Presentation	\$249	Access to all webinars + physical summit
