

ANNUAL MEETS

2nd International Webinar on Next Gen Bio Tech 2026

*Integrating AI, Bioengineering, and Genomics for
Tomorrow's Medicine.*

June 6, 2026 | Virtual Webinar

Dear Attendees,

We are pleased to welcome you to the 2nd International Webinar on Next Gen Biotech, a global forum that brings together leading researchers, industry experts, academicians, and innovators from around the world. This webinar provides a collaborative platform to share knowledge, present cutting-edge research, and discuss emerging trends that are shaping the future of biotechnology.

The event aims to encourage interdisciplinary dialogue and foster meaningful collaborations across healthcare, agriculture, pharmaceuticals, and sustainable technologies. We sincerely thank our distinguished speakers and participants for their valuable contributions and wish everyone an insightful and rewarding webinar experience.

ABOUT US

The Annual Meets serve as a prestigious platform to bring together leaders, innovators, researchers, and professionals from diverse fields to exchange knowledge, foster collaborations, and inspire new ideas. Organized by Neo Art Excellence Hub, these gatherings are designed to celebrate achievements, share advancements, and shape the vision for future growth.

Our Purpose

We believe that technology alone doesn't change the world—people do. That's why we created a space where clinicians, AI developers, academic researchers, startup founders, investors, and health policymakers can come together, challenge ideas, and co-create the future of medicine.

What Makes Us Different

Interdisciplinary Focus: Medicine, Data Science, Ethics, Regulation, and Product
Hybrid Accessibility: Global webinars + local impact through physical summits
Interactive Format: Use-case demos, panels, and real-world case studies
Outcome-Oriented: Abstracts, publications, investor pitches, and awards
Emerging Voices: Special emphasis on early-career innovators and researchers from developing countries.

Scientific Themes

- Genomics & Precision Medicine
- AI-Powered Drug Discovery & Molecular Design
- CRISPR, Gene Editing & Synthetic Biology
- Regenerative Medicine & Stem Cell Therapeutics
- Tissue Engineering & Bio-fabrication
- Microbiome Science & Metabolic Engineering
- Biopharmaceuticals & Next-Gen Therapeutics
- Nano biotechnology & Advanced Drug Delivery
- Biomedical Devices, Biosensors & Diagnostics
- Bioengineering & Mechanobiology
- Computational Biology, Modeling & Systems Bioengineering
- Agricultural & Environmental Biotechnology
- Ethics, Regulations & Global Biotech Policy
- Emerging Technologies & Future Frontiers
- Biotech Innovation, Startups & Funding Ecosystem

Organized BY

NEO-ART EXCELLENCE HUB PVT LTD is a leading India-based platform for advancing research, innovation, and academic excellence. With initiatives spanning biotechnology, artificial intelligence, and translational health, NEO-ART focuses on building ecosystems where science meets society through meaningful collaborations.

Join the Movement

Whether you are a researcher, healthcare professional, data scientist, startup founder, or policymaker—AI for Health 2025 is where you belong. Together, we're not just imagining the future of medicine—we're building it.

Registration Fees

Category	Price	Includes
Standard	\$599	Access to all webinars + physical summit
Presenter	\$350	For accepted abstract presenters
Student / Early-Caree	\$199	Requires valid ID or university affiliation
Group (5+)	\$99 Per Person	Bulk registration discount
Under-Developing Countries	\$299	Based on World Bank classification

Registration Includes:

- Live access to all sessions (webinar + physical)
- Digital certificate of participation
- Access to abstract booklets and conference recordings
- Entry into awards and publication opportunities
- Networking lounge & pitch deck submission access
