

STEM CELL & REGENERATIVE MEDICINE

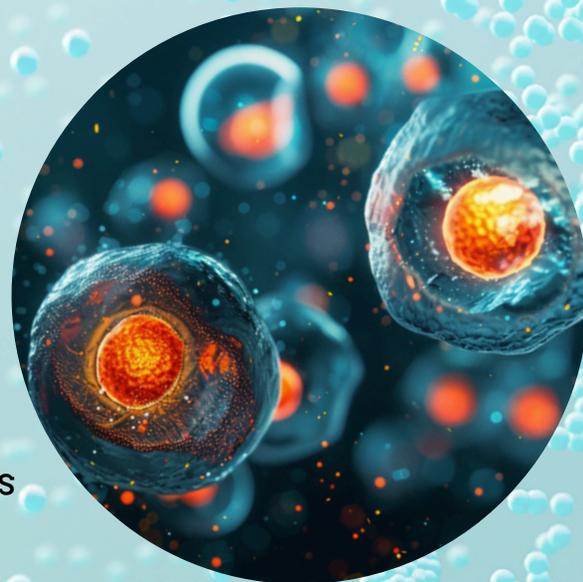

Redefining Regeneration: Intelligent, Cell-Free & Next-Generation Therapies

21st may 2026

INVITATION

Dear Attendees,

We are pleased to announce the International Conference on Redefining Regeneration: Intelligent, Cell-Free & Next-Generation Therapies — **Stem Cell & Regenerative Medicine**—to be held as a webinar on **May 21, 2026**. Organized with the support of our Editorial Board and dedicated partners, this event brings together professionals, researchers, and students to share innovations in genomics, bioengineering, public health, and therapeutics. The program includes keynote talks, oral presentations, posters, and interactive sessions with industry experts. We look forward to your participation in this exciting global event. Sincerely, Stem Cell & Regenerative Medicine **2026 Organizing Committee**

ABOUT US

The Annual Meets serve as a prestigious platform to bring together leaders, **innovators, researchers, and professionals** from diverse fields to exchange knowledge, foster collaborations, and inspire new ideas. Organized by **Neo Art Excellence Hub**, these gatherings are designed to **celebrate achievements, share advancements, and shape the vision for future growth.**

Our Purpose

We believe that technology alone doesn't change the world—people do. That's why we created a space where clinicians, AI developers, academic researchers, startup founders, investors, and health policymakers can come together, challenge ideas, and co-create the future of medicine.

What Makes Us Different

Interdisciplinary Focus: Medicine, Data Science, Ethics, Regulation, and Product
Hybrid Accessibility: Global webinars + local impact through physical summits
Interactive Format: Use-case demos, panels, and real-world case studies
Outcome-Oriented: Abstracts, publications, investor pitches, and awards
Emerging Voices: Special emphasis on early-career innovators and researchers from developing countries

Scientific Themes

- Cellular Aging & Rejuvenation
- Exosomes & Cell-Free Therapies
- Metabolic Control of Stem Cells
- AI & Digital Regeneration
- Epigenetic Reprogramming
- Mechanobiology & Biophysics
- Organoids & Assembloids
- Neuro-Immune Crosstalk
- Microbiome & Regeneration
- In Situ Tissue Regeneration

Registration Fees

Category

Speaker Presentation	\$249	Access to all webinars + physical summit
Poster Presenter	\$239	For accepted abstract presenters
Student / Early-Caree	\$99	Requires valid ID or university affiliation
Group (5+)	\$99 Per Person	Bulk registration discount
Delegate	\$129 Per Person	Based on World Bank classification

Registration Includes:

- Live access to all sessions (webinar + physical) Digital certificate of participation
- Access to abstract booklets and conference recordings
- Entry into awards and publication opportunities
- Networking lounge & pitch deck submission access

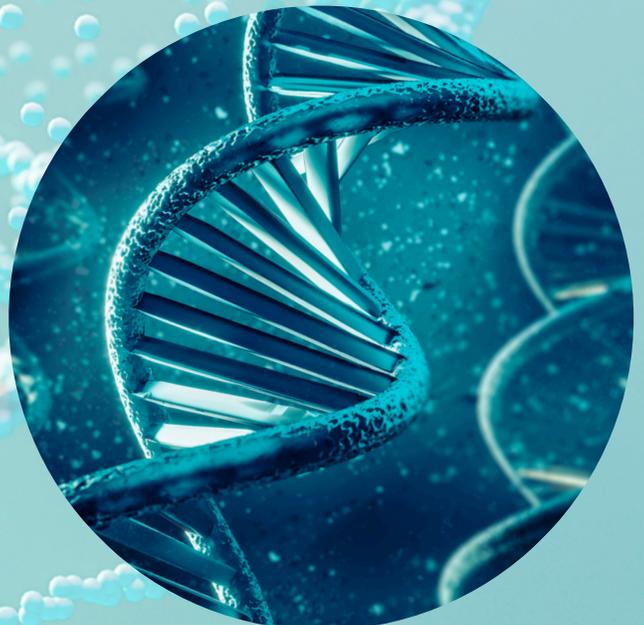

ORGANIZED BY

NEO-ARTEXCELLENCE HUB PVT LTD

is a leading India-based platform for advancing research, innovation, and academic excellence. With initiatives spanning biotechnology, artificial intelligence, and translational health, Neo Art focuses on building ecosystems where science meets society through meaningful collaborations.

Join the Movement

Whether you are a researcher, healthcare professional, data scientist, startup founder, or policymaker—Stem Cell & Regenerative Medicine 2026 is where you belong. Together, we're not just imagining the future of medicine — we're building it.
